

A MESSAGE FROM THE VILLAGE OF SOUTHAMPTON MAYOR AND BOARD OF TRUSTEES

TO ALL VILLAGE RESIDENTS, SECOND HOMEOWNERS, RENTERS AND VISITORS:

WE ARE FACING UNPRECEDENTED CIRCUMSTANCES.

Our World, Country, State, City, Town and Village are in the midst of a Pandemic and we have a choice as to how we will emerge.

We need every person to **STOP, LOOK & LISTEN.**

STOP to think about what is going on around you

LOOK for ways you can help your community.

LISTEN to what your Government is asking you to do.

YOUR actions could save someone's life.

- 1. STAY HOME.**
- If you go out to get food, take it home to eat. **DO NOT** leave your garbage on the street or in public areas. Government mandates require us to reduce our staff to a minimum and that means we do not have regular Village refuse removal.
- DO NOT** use our Parks, Beaches and Streets as a gathering area. Please adhere to the Social Distancing Mandate. If an area is crowded, look for another location.
- Walks on our beaches are permitted at this time, but please do not sunbathe, picnic, fly kites, meet up with others or participate in any other types of gatherings.

We are all in this TOGETHER.

Let us take the time now to prepare ourselves so that We, as a Community, can come out of this crisis unified by our strength and connection to each other.

We do not want to close our Parks and Beaches.

Please do your part to keep our public spaces safe and clean so that we are not forced to take action for the Health and Safety of our community.

—THANK YOU—
