STATE OF NEW YORK AFFIDAVIT OF COMPLIANCE OF SMOKE ALARM & CARBON MONOXIDE DETECTOR INSTALLATION IN ONE AND TWO FAMILY HOMES

STATE OF NEW YORK)

DATE: _____

ss:

COUNTY OF SUFFOLK)

I, _____ being duly sworn, dispose and say:

- I am the _____ of the premises located at: _____
(Owner / Agent / Transferor)

Tax Map # 904- _____ - _____ - _____

- That at least one single station smoke detection alarm device is installed on or near the ceiling adjacent to all sleeping spaces in this dwelling and that such device is in good working order. In any one or two family dwellings using a gas, wood or fuel oil heating system or appliances or which has an attached garage, there shall be installed at least one carbon monoxide detector adjacent to sleeping spaces on each floor level of the dwelling. In addition, wherever building additions or alterations are proposed to the interior of existing buildings which require permits to a one or two family dwelling, such devices shall be required to be directly connected to the lighting circuit of the dwelling unit or sleeping room, with no intervening wall switch, and two have a battery backup.
- That I make this affidavit pursuant to Section R313 of the Fire Code & Property Maintenance Code of New York State.
