April 2023

Greetings Fashion and Art Enthusiasts,

New York City's Bryant Park's Tents, were once where all the famous celebrities from the world of fashion gathered. We invite you to participate in the Premier Fashion Fundraising Event featuring designers from NYC, across the nation and around the world. "*Back to The Tents*" will take place on September 9, 2023 at 10:00am - 6:00pm during New York Fashion Week at Southampton's Agawam Park.

Featuring fashion designers and vendor brands that represent inclusiveness and diversity our fashion fundraiser is precisely why we want to bring back the nostalgia of the tents enhanced with vendors that bring merchandise, wine, spirits and the beautiful grounds of Agawam Park. It is the sort of conciliatory event that entertains and tangibly reaches consumers with high purchasing power. Our audience members are ideal for any business or organization to get their message or product to and transition them into loyal customers. Taking place in one of the most affluent communities in America, this event will generate visibility and vast foot traffic of those with greater than average spending ability.

It is very important for FATA Fund, Inc. to be diverse and inclusive. Fashion is more than clothes and accessories. It is a statement of our identity that makes us feel empowered as human beings. Fashion is all about expressing oneself, so everyone should feel included and represented.

As a sponsor of this FATA Fund, Inc. fundraising event, you will be recognized for your contribution in one or more of the following ways:

- ❖ Improve your corporate image by demonstrating a willingness to support emerging Fashion Designers and Artists that are diverse and display inclusiveness
- ❖ Create and enhance your company's profile in a public forum
- ❖ Highlight your products or services

Please join us September 9, 2023 on the beautiful grounds of Agawam Park in Southampton. Show your support for diversity, inclusion and sustaining the arts in your brand or organization's awareness. Just a 10% investment in diversity alone results in a 3.5% increased increment in the earnings of businesses that prioritize these values. Your donation is tax-deductible to the fullest extent of the law. The sponsorship levels and amounts follow this page. Thank you for your consideration.

Yours sincerely,

Philena
